

### IMPORTANT SAFEGUARDS

Use basic safety precautions when working with electrical equipment.  
READ AND FOLLOW ALL SAFETY INSTRUCTIONS

### INSTALLATION INSTRUCTIONS

Caution: Disconnect power before installation.  
Product must be installed in accordance with NEC or your local electrical code. If you are not familiar with these codes and requirements, consult a qualified electrician.  
Do not handle energized luminaire with wet hands, when standing on wet or damp surfaces, or in water.

### SUSPENSION MOUNTING

1. Secure the mounting hook (with threads) onto the designated ceiling spot by drilling a mounting hole and screwing the mounting hook. Alternatively, secure the chain onto the designated ceiling spot.

2. Hang the chain to the newly secured mounting hook.

\*\*\*Dimension might change , depending on lumen package and EMG driver.

3. To complete the mounting, hang the fixture onto the chain with another hook (no threads).

### PENDANT MOUNTING

1. Mount bracket into high bay.
2. Adjust the angle on the side.
3. Screw the NPT conduit into the bracket.
4. Feed the cables through the NPT conduit. Do the wiring according wiring diagram.
