Dimmable if used with 12V magnetic transformer and magnetic low voltage dimmer

Description:

- Built with deep baffle technology for glare-free illumination
- Relamps from the front
- Ideal for cabinets where crisp white LED light is desired
- Includes housing to be used with remote transformer
- All die-cast construction
- Ceiling opening is 2-5/16"
- 2W LED Warm White* 350 lumens
- Available in Warm White & Cool White Color Temperature
- For dimming use magnetic 12V transformer with magnetic low voltage dimmer (BP50)
