Lumi-PRO Extrusion/DIRECTIONAL LIGHT-SUSPENDED

Lumi-PRO Extrusion/DIRECTIONAL LIGHT-SUSPENDED

The Lumi-PRO Directional Light LED Suspended Extrusion is the ideal solution for transforming spaces with focused light that enhances the architectural design of both objects and areas. Additionally, this LED profile can be installed as a recessed mount thanks to its included mounting spring clip.

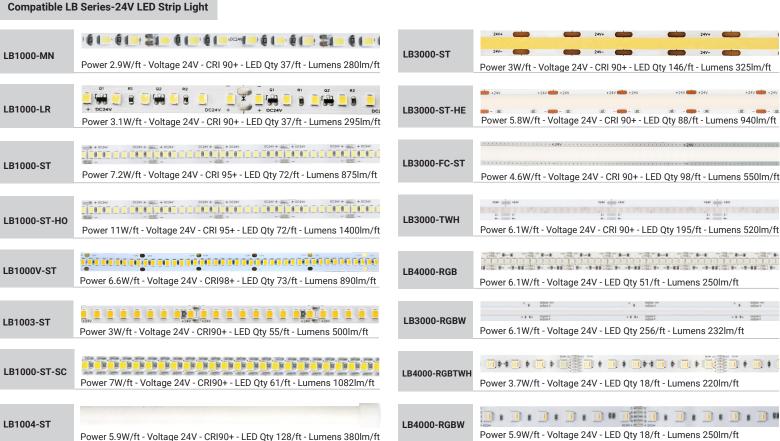

Equipped with and integrated diffuser lens, the profile ensures uniform light diffusion, providing both accent and general illumination. This versatility makes it suitable for a wide range of applications, from decorative lighting to functional ambient lighting.

Designed specifically for compatibility with our LB Series LED Strip Lights, these extrusions offer highly customizable and adaptable lighting solutions for suspended architectural features. Perfect for residential, commercial, and hospitality environments.

Example: LP-SHC-DL-SPD-1-8-SI-FTD

1.MOO (minimum order quantity) required for these options, please consult factory.
