**OPTICS & PERFORMANCE**

Meticulously designed with evenly spaced LEDs to provide a uniform, glare-free illumination reminiscent of a luminous halo. This ingenious technology minimizes glare and eradicates any hot spots, granting you unrivaled light control. Complementing this innovation, our one-piece diffuser disperses light evenly in every direction, resulting in a seamless and ambient glow that transforms your environment into a captivating haven of illumination.

**CONSTRUCTION**

Indulge in the sleek allure of our LED lighting system, where an impeccably crafted aluminum body and seamlessly integrated one-piece diffuser coalesce to form a strikingly contemporary design. This luminaire, artfully constructed with a combination of premium silicone, and high-quality aluminum materials, exemplifies modern aesthetics and high-quality durability.

Engineered to perfection, our cutting-edge lighting solution includes essential features such as aircraft cable and an integral driver, ensuring effortless installation and impeccable performance. With its seamless combination of form and function, this LED masterpiece delivers unparalleled illumination, creating an ambiance of refined elegance and technical prowess that complements any modern setting. Elevate your space with the artistry of lighting, where innovative design meets impeccable engineering for a truly transformative experience.

**MOUNTING**

Suspended mount option. Delivered with adjustable 10-ft length cords, our pendant mount provides the flexibility you need for a seamless installation. Engineered to accommodate various mounting heights and ceiling types, including sloped ceilings, this lighting solution offers adaptability to suit any space.

For added convenience, our canopy can be directly mounted to the junction box, facilitating below-the-ceiling access for easy maintenance and servicing.

**ELECTRICAL**

Powered by high-quality constant-current power LED drivers rated for 50 to 60Hz at 120V input, produce less than 20% THD, and have a power factor between 0.90 and 1.00. LED driver compart-

**DIMMING & DRIVER INFORMATION**
