**OPTICS & PERFORMANCE**

Meticulously designed with evenly spaced LEDs to provide a uniform, glare-free illumination reminiscent of a luminous halo. This ingenious technology minimizes glare and eradicates any hot spots, granting you unrivaled light control. Complementing this innovation, our one-piece diffuser disperses light evenly in every direction, resulting in a seamless and ambient glow that transforms your environment into a captivating haven of illumination.

**CONSTRUCTION**

Indulge in the sleek allure of our LED lighting system, where an impeccably crafted body and seamlessly integrated one-piece diffuser coalesce to form a strikingly contemporary design. This luminaire, artfully constructed with a combination of high-quality metal and premium PC materials, exemplifies modern aesthetics and high-quality durability.

Through its Cover, this LED masterpiece delivers unparalleled illumination, creating an ambiance of refined elegance and technical prowess that complements any modern setting. Elevate your space with the artistry of lighting, where innovative design meets impeccable engineering for a truly transformative experience.

**MOUNTING**

Featuring both ceiling mount and suspended mount options, this fixture is designed for easy installation directly onto the ceiling surface, ensuring a seamless and stylish addition to any room. With the suspended mount option, the fixture comes delivered with adjustable 10-ft length cords, providing the flexibility needed for a seamless installation. Engineered to accommodate various mounting heights and ceiling types, including sloped ceilings, this lighting solution offers adaptability to suit any space and customize your lighting setup.

**ELECTRICAL**

Powered by high-quality constant-current power LED drivers rated for 50 to 60Hz at 120V input, produce less than 20% THD, and have a power factor between 0.90 and 1.00. LED driver compartment.

**DIMMING & DRIVER INFORMATION**

DIM10 Flicker Free 1% Dimming Standard (DIM10) 0-10V dimming on either MVOLT 120 or 277V. 347V please consult factory.

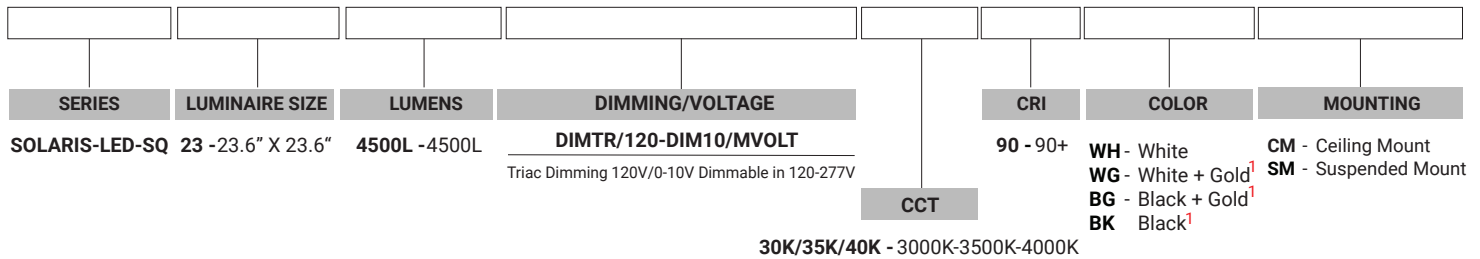

**WARRANTY**

Five-year warranty for parts and components. (Labor not included)

**LISTINGS**

RoHS: Directive restricting hazardous substances in electronics.
